# BOOK YOUR RIDE

COVID-19 has impacted our lives - a lot. Our lives in school have been affected as well. For example, all large-scale student events (erhmm lectures) are no longer held. With social distancing, physical/online classes & sometimes changing online classes, this has affected the demand for our shuttle bus services too, which made it difficult for the bus company to manage demand & bus resources.

To help the bus company (& ourselves) with this, we've decided to create a simple yet effective app-function to better match student demand & bus resources.

# STEPS TO BOOK YOUR BUS RIDE (just a few)

1

## CREATE YOUR ACCOUNT

Use your matriculation number & a strong password!

2

## BOOK YOUR RIDE

Login, then click on 'Make booking', and well... make your booking!

3

## GET YOUR CONFIRMATION

You will receive a booking confirmation. If you are waitlisted, check back after 9pm to see if you got a slot!

4

## SNOOZE & WAKE UP ON TIME

No more waking up earlier just to be the front of the line!  
Click 'Check booking' to show your receipt when boarding.
